## **Metro Parks' *Wave Country* Opens for the Season With New Concession Stand and New Bath House**

Nashville, TN - Summer officially kicks off this Memorial Day weekend, May 24<sup>th</sup>, when Wave Country opens for the summer season! With a new concession stand and a new bath house, Metro Parks' popular family-priced water park is better than ever. The park features Nashville's only wave-action swimming pool, two forty-foot tall speed slides, a triple flume slide, a kiddie water playground, sand volleyball pits, and plenty of concessions.

Thrill seekers can climb to the top of the speed slides' forty-foot tower and plummet downward for a seventy-foot ride. One slide sends you over humps before the descent, while the other offers a steeper drop for the more adventurous at heart. Whichever you choose, the thrills will make the speed slides a popular destination this summer. As always, the waves will be there to offer a fun-filled day of riding the crests or just letting the surf lap at your feet in the wave pool.

**Rental floats are available for free and parking is always free. The park is open Tuesday - Sunday from 10:00 a.m. to 7:00 p.m. (closed Mondays). Beginning August 10th, they will be open on weekends only, and closed for the season after Labor Day. Admission is \$10 for adults. \$8 for children 12 and under. Children two years of age and younger are admitted free.**

Wave Country is located at 2320 Two Rivers Parkway, just off Briley Parkway near the Opryland Hotel. Visit [www.wavecountry.org](http://www.wavecountry.org) for more information.
